

Stormwater Tip:

Under the new stormwater ordinance, pet waste will be regulated.

A. All pet owners and keepers are required to immediately and properly dispose of their pet's solid waste deposited on any property, public or private, not owned or possessed by that person by putting it in a dog waste receptacle, bagging it and disposing in a trash can/receptacle, or flushing it to a sanitary sewer system or on-lot septic system.

B. Any owner or keeper who requires the use of a disability assistance animal shall be exempt from this requirement while such animal is being used for that purpose.

C. Any person(s) found to be in violation of these provisions of this ordinance shall be subject to enforcement and penalties as specified under Article IX of this Ordinance.
