Darby Borough Police Department

Darby PA, 19023

The Darby Borough Police Department was awarded \$125,216.00 in grant money. The grant is earmarked to support our communities' efforts to conform with the Federal Bureau of Investigation's NIBRS, which is the national standard for law enforcement crime data reporting in the United States. The data collected through NIBRS provides the ability to capture details on criminal incidents, including information on victims and known offenders. We would like to thank Pennsylvania Speaker of the House Joanna McClinton, for securing this funding for Darby Borough and the Darby Borough Police Department. We appreciate the work she continues to do for our community and our Police Department.

Officer Ken Collins has been very successful in securing grants for the Police Department. Officer Collins has put in numerous hours researching and securing grants that benefit the Police Department and Darby Borough.

The Darby Police have seen a rise in motor vehicle thefts and attempted motor vehicle thefts. The Darby Police Department has made numerous arrests, but are still dealing with incidents involving thefts and attempted thefts. Please secure your vehicle when you are not using it. If you see someone around your vehicle, call 911.
