**Outreach:**

Visiting Park Lane Elementary School every Thursday.

Meet with our State Representatives and Delaware County Councilor. They discussed national and local issues.

**Pa Unemployment:** The petition for relief of charges was granted.

**System Task Force Meeting Notes:** There are 4 groups. Group 1 led by Theresa includes Collingdale, Crozer, Darby, Folcroft, Glenolden and Prospect Park. They still want us to consider consolidation but have yet to answer my questions. How would we be divided? Is it legal for one borough to send another their tax money? Who sets up the budget? Do they understand there are different types of libraries in this group, independent, municipal and associate?

We are interested in collaborations on purchasing. Having DE provide resources and assistance with advocacy.

This group is concerned about the negative article from the review report. We feel DE should show more support.

A list of common themes from all four groups

- Advocacy, support, training and tailored approach.

- Substitute staff pool

- Collaborative purchasing

- Funding challenges

- Training Staff, Trustees, Technology

- Flexibility of collection spending requirement

- Sustainability

- Mentoring

Each group is to identify 1-3 highest priorities and decide who would implement them.

Next meeting is March. 19.
